FROM PSM VS SALES-GENERATED

BY PERSON

Grey ₹ = pipeline value; green ₹ = won price (excl. GST)

Price is the blocker

"Price Was High" is 57% of all drops.

Own deals win 3.9× more

Sales-generated 6.9% vs from PSM 1.8%.

Best converter: Rahul Mahajan

6 won from 58 (10%).

Opportunity = Qualified Lead record; owner = Sales Person. Bulk imports, Sunrooof and test records excluded. Visits are booked meeting dates, so indicative. Value = the opportunity's Value (₹ Lacs, excl. GST), or BD Value where that is empty; total price adds 18% GST, as the CRM's Order Total Amount does. Full detail and field mapping: detailed Sales report.
